JUNE 2024 NEWSLETTER

SCIENCE FICTION

Science fiction or Sci-fi is imaginative writing based on or around real science. It is often set in the future, in an imagined world or in an alternative world. Sci-fi often includes the following:

- time travel
- teleportation
- mind control
- aliens and mutants
- space travel
- parallel universes

Here are 4 Sci-fi books to try

Quiz: Name 3 books with food in the title.

JUNE 2024 NEWSLETTER

Author Focus SUSIN NIELSEN

'We Are All Made of Molecules' was often the most borrowed book in our library and one reason is that Nielsen writes stories for all readers. Her writing is both funny and emotional, her characters are real, and the storylines are engaging. Nielsen's books are for a range of ages, check out <https://susinnielsen.com/>

FICTION ROUNDUP June 2024

OTHER RESOURCES ON THE READING JACKDAW

It's **EMPATHY DAY** on 6th June, one of my favourite book collections of the year.
'Empathy Day celebrates and grows empathy's power to create a better world. It shines a light on books' role in raising an empathy-educated generation.'
Check out the collections and activities at <https://www.empathylab.uk/>
